

## iNet Australia Transforming Schools

iNet Australia is part of an emerging network of innovative schools who have committed themselves to achieving **systematic, significant and sustained change.**

iNet is the first choice for national and international networking to transform schools

### Why is iNet unique?

iNet Connects Transformational Learning Communities with access to

- Student Voice
- Pedagogies for Transformation
- International On-line Conferences
- Specialist Schools
- iNet on-line services
- Learning Walks
- Publications
- Partnerships
- Models for 21 century learning that transform schools

iNet Supports Professional Learning for Educational Transformation with access to

- Visiting Academic Leaders
- Conferences, Events, Forums
- Raising Achievement Projects: RATL
- iNet Leadership Suite of Programs
- Master Classes on Transformational Agenda
- Study Tours - Local, National & International
- Networking with Networks
- SSAT member website
- Lead Practitioner Networks K-12

Affiliation to iNet provides access for your whole school to all benefits, international resources and more...

### Why join iNet?

If I were principal I would want to affiliate with the network as soon as I could!

Professor Hedley Beare

iNet will allow Primary teachers and students to connect globally and learn together.

Rosemary de Bono, Principal, St Mary's PS, North Sydney, NSW

Participation in the iNet Young Leaders Program has given me exposure to thought leaders in education and networked me globally with other teachers.

Amanda Arousseau, Canberra Girls School, ACT

iNet schools have access to global networks and amazing opportunities for teacher access to programs, projects and events.

Julie Robinson, Director of Curriculum, John Paul College, Brisbane Queensland

Membership has conferred on our school global acceptability which is enhanced by every member who joins iNet.

Jim Davies, Principal, Australian Science & Mathematics School, South Australia

We are sharing in an international educational exchange which cannot fail to stimulate and improve our work.

Michael Phillips, Ringwood Secondary College
