

International Networking for Educational Transformation

Berwick Lodge Primary School Learning Walk: Networking School Leaders for Transformation *16th October 2008*

What are Learning Walks?

This program provides the opportunity for principals, deputy principals, secondary and primary school leaders to visit a leading school that has pursued innovation and excellence, encouraging reflection and building collegial relationships.

What is the Audio E-Learning Program at Berwick Lodge Primary School?

The program began as a one hour, weekly radio program, broadcast live-to-air on community radio station 3SER 97.7FM in 2001 by our senior students. Today, the program has grown to include the use of ICT in the classroom, drawing on and developing students listening and speaking skills in their learning. Our Audio E-Learning program is now supported with a full-time ICT Mentor teacher, with the weekly student radio program being broadcast on 3SER via a state-of-the-art radio studio at our school.

This Learning Walk Aims:

- To showcase audio e-Learning practices within our school
- To present a model that demonstrates how audio e-Learning can effectively be integrated across the school curriculum
- To observe classroom practice that promotes the use of ICT in student learning – including our ICT Mentor teacher at work with teachers and students
- To provide opportunities for networking, exchange and dialogue between schools

This Learning Walk Features:

- Enjoy some time in classrooms, our multi media centre and radio studio to observe our audio e-Learning program in action
- Participate in simulated radio interviews with our students - and having a CD to prove it!
- Practical tips on how to establish your own *radio interview* program without spending a fortune
- Inspiring discussion time with our audio e-learning staff.
- A delicious lunch with our staff

Who can apply?

Principals, deputy principals, secondary and primary school leaders who are committed to transforming their schools.

Cost

- \$77.00 per person Affiliated School members
 - \$100.00+GST per person Non-affiliated School members
