

International Networking for Educational Transformation

iNet Australia Presents A MASTER CLASS

on

“Transforming School Culture: Success for Every Student”

**Featuring guest speaker
Ernie Fleming
Principal of Bendigo South East Secondary
College**

**Thursday October 23
9.30am-12.30pm**

What are Master Classes?

“A Master Class is given to learners of a particular discipline by an expert of that discipline”

- It is highly interactive
- It is focused professional development in recognised areas of need
- It is an opportunity to share knowledge and skills with other educators

Why do I need to attend a Master Class?

- To develop skills in required areas
- To benefit from expertise knowledge and guidance
- To interact with other professionals and to strategically problem solve and process new concepts within the topic
- To contribute to the refinement of the discussed topic

Expected Outcomes from This Master Class:

Participants who attend the Master Class will leave with a model and set of strategies that includes:

- A highly successful junior neighbourhood approach in years 7 and 8
- Whole school on line processes that assist staff teamwork to achieve a positive, caring learning culture where all students succeed
- A Student Support Centre program that provides personalised support in a large school
- A Student Voice program that develops confident, contributing young people.
- Whole school learning culture framework that supports a safe, productive environment for students
- An innovative electronic learning assessment process that has helped us help all students complete all given assignments
