Collaborative Learning & Authentic Curriculum: ICT in Context Learning Walk Workshop 2010 - Primary & Secondary Focus

Wednesday, 25 August 2010, 9:00AM - 1:30PM

Silverton Primary School

Silverton Drive, Noble Park 3174 VIC

Principal: Tony Bryant

This Learning Walk Workshop is designed to focus on the effective use of ICT in the context of a shared approach to developing authentic curriculum in Flexible Open Learning Spaces.

Program Overview

Silverton Primary School is the 2010 Curriculum Innovation Winner in the Victorian Education Excellence Awards:

'Silverton has become an exemplary model of embedding ICT into the whole-of-school curriculum by using a variety of devices to engage students and improve their learning.'

Learning Walk Workshops offer unique and highly practical professional development opportunities for teachers and leaders.

This Learning Walk Workshop will allow participants to observe the flexible open learning spaces in action, and how the team teaching and pedagogy is operating. It will also show how Student Voice is at the centre of learning.

Program Objectives

This Learning Walk Workshop will be suitable for primary and secondary leaders and teachers who wish to:

- develop a new understanding of embedding ICT in authentic curriculum
- explore how flexible open learning spaces are operating
- investigate how Student Voice is central to the learning
